Membership was asked if a financial audit should be performed in 2015.

Brian Brunskill suggested it be done when the Treasurer changes. Pam Schwann suggested it should be done more frequently, especially when a Treasurer is in for longer periods of time. This will help to make sure everything is kept in good shape.

Motion of not completing an audit in the upcoming year by Kim Kreis, Don Kent seconds. Unanimous vote in favor of the motion.

Michelle Hanson mentions a Financial Review needs to be done if the membership requests it as it is one of the obligations of a non-profit organization according to the Provincial Corporation Act. Lynn Kelly wonders how much a review costs and Colin Card informs us it is \$4000 and may be potentially less if we are able to shop around. Don Kent suggests putting some money aside each year so that there will be a fund available to pay for audits/financial reviews. Consensus that this is an excellent idea.

Jason Berenyi, Deirdre O’Donohoe, Dustin Zmetana are all thanked for their hard work and innovative ideas. Murray Rogers mentions that this is the way it has always been done. Dave MacDougall mentions that they duties have always changed and evolved and there is also handing around of duties to different members. Colin Card suggests a review the legislation to see how detailed to make the by-laws. Benji Hazen says that roles and responsibilities do not have to be part of the bylaws. Kim Kris and Pam Schwann says that we all agree there needs to be a set of duties but perhaps it does not need to be as formal. Agreement that this should be discussed by the Executive.
